SEPTEMBER 15

SAVE THE DATE!

For 2010, the Congress of California Seniors is sponsoring a series of informational conferences around the state.

The next one will be at the Sacramento Convention Center on September 15th. Later this fall, others will be held in San Jose and Long Beach. They follow an aging summit held earlier this year in Ventura County. All these events are designed to bring together seniors and allies who want to be involved in the work of informing seniors about the major issues of our time...health reform, resolving the state fiscal crisis, and building a strong network of senior services.

Please join us to become informed and to get involved, making sure that the senior agenda is a part of our state and national policy debate this election year.
